From our beginning over 30 years ago, Skully's Music-Diner has been a fixture in the Columbus nightlife scene. Starting out as a bar and grill on Ohio State's campus, progressing to a cafe on Morse and High Street, and at our current location in the Short North Arts District.

Skully's has been serving up a dish for everyone's palate and ears. Whether it's our famous Skully Burger, our healthy salads, or our all-day breakfast menu, we strive to have something for everyone. We strive to create a unique dining and concert experience for our customers.

Winner of numerous awards including Best DJ Night for 18 years straight for our signature event Ladies 80s, Best Mid-Sized Venue, Best Place to Rock and Roll, and Best Place for Hip Hop, we have proven to have something for everyone. In 2015, Skully's-Music Diner was honored by international travel blog Travelog.us by being named the Best Diner in America.

We're very proud of our awards and are extremely grateful to our wonderful customers who have kept Skully's rockin' for over 30 years.

From the bottom of our hearts THANK YOU!
